### Please kindly announce your visit!

If you are driving on the Highway A5, coming from either Karlsruhe or Basel, you take the Exit Nr. 64 b HARTHEIM / HEITERSHEIM / GEWERBEPARK BREISGAU and proceed to Heitersheim. After driving through the second roundabout you will reach after another 2.5 km the small road that leads to our yard (on the right handside over a small bridge > road sign "BMB Baumaschinen GmbH").

If you arrive in Heitersheim via Bundesstrasse Nr. 3 from Freiburg or Müllheim, drive through the subway next to the station, pass the Raiffeisengenossenschaft on your right and turn left over the little bridge (road sign "BMB Baumaschinen GmbH") into our store yard.

If you come by plane, you may choose to land in either Strassbourg, Basel/Mulhouse or Zürich. Flying with your own plane, you can land directly beside our yard on the Airport Gewerbepark Breisgau. We would be pleased to pick you up at any of these airports and would, of course, give you a lift back there as well.

**Attention: Use the French Exit in Basel/Mulhouse.**

Should you arrive by train, we'll gladly pick you up at the station in Freiburg/Breisgau.
